ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"

ASSEMBLY DISTRICT 4 – SEAT G – RECALL

Sponsor Statement

"Assembly chair Felix Rivera on August 11, 2020 violated EO-15, an emergency order intended to protect the health and safety of Anchorage citizens, issued by the Mayor of Anchorage pursuant to AMC 3.80.060(H) by: 1) knowingly participating in an indoor gathering of more than 15 people (a meeting of the Anchorage Assembly) and 2) continuing to participate in an indoor gathering of more than 15 people at a meeting of the Anchorage Assembly after being specifically informed of the violation. Assembly chair Rivera failed to perform prescribed duties as chair of the Assembly by allowing the August 11 meeting he was presiding over to continue in violation of EO-15 after the violation was brought to his attention by a point of order. Of all citizens in Anchorage the chair of the Anchorage Assembly should have been scrupulous in obeying the gathering limitation established by paragraph 4 of EO-15. His failure to do so needlessly endangered the lives of Anchorage citizens, encouraged the spread of COVID-19 throughout the community, and merits recall from office."

Felix Rivera Statement

"It is an honor to serve as your voice on the Anchorage Assembly. From rebuilding our police force, to revitalizing Anchorage's economy, to pushing the Municipality to clean up inhumane encampments and respectfully house our population experiencing homelessness, I have been working hard for you every day and getting results.

Let me be clear- the allegations in this recall petition are simply false. The group behind this effort includes my opponent from last year's election and people opposed to science-based efforts to slow the spread of COVID-19. They are trying to overturn last year's election and intimidate Anchorage into abandoning efforts which have saved lives and preserved hospital capacity.

The global pandemic has affected all our lives. I worked hard to effectively utilize millions of dollars in economic relief for neighbors affected by the pandemic and rental relief to keep families in their homes. As Chair, I worked to ensure that our meetings were open to the public even when the virus prevented in-person attendance.

I work for you. With your NO vote I can continue to serve you, working to make our neighborhoods safer, grow our economy, and give you a meaningful voice in your local government. -Felix Rivera"
