# CLEAN SLATE STRATEGY

October 11, 2023

# CURRENT LANDSCAPE

- Emergency Cold Weather Shelter
  - 371 non-congregate beds available through April 30, 2024
  - 150 congregate beds available through April 30, 2024\*
  - 25 TAY beds available through April 30, 2024
- Transition out of Emergency Cold Weather Shelter
  - Implementation of Allowed Camp Community Task Force Final Report
  - October 18 kicking off process

\*Suggestions have been made that 1) the congregate facility might stay on longer until Clean Slate Strategy work is done or 2) the congregate facility stays on as the permanent shelter in some form

# PATH FORWARD

- Location Process Alignment, November 8
- Location Process, Week of November 27
- Town Halls on Locations, December 2, 4, and 7
- Final Recommendation on Location(s), January 3
- Operations Process Alignment, January 24
- Future Meetings TBD

# FOUNDATIONAL QUESTIONS

**Definition:** Questions that need to be asked and considered to help this process move forward effectively. Our answers to these questions may alter how we consider locations.

**Example:** Is a non-congregate shelter preferred over a congregate shelter?
