

# HANDOUT

## EVENT:

Public Safety Committee of the Whole

## DATE:

March 1, 2023

## PRESENTED BY:

Amanda Loach, Director  
Anchorage Office of Emergency Management  
[amanda.loach@anchorageak.gov](mailto:amanda.loach@anchorageak.gov)

Audrey Gray, Emergency Programs Manager  
Anchorage Office of Emergency Management  
[audrey.gray@anchorageak.gov](mailto:audrey.gray@anchorageak.gov)

## ABOUT THIS PRESENTATION:

This presentation details the work of the Anchorage Office of Emergency Management during non-emergency as well as emergency times. It also reviews the new emergency public information and warning system, Rave Mobile Safety.

Emergency Management organizations nationwide run on the Emergency Preparedness Cycle, with different activities taking place throughout the cycle. For Anchorage, that looks like the following:

- a. Response
  - i. 24/7/365 coverage
  - ii. Physical, hybrid, and remote EOC and incident action planning (IAP)
  - iii. Emergency Response Team
- b. Preparedness
  - i. Anchorage Local Emergency Preparedness Committee (LEPC)
  - ii. MOA Emergency Operations Plan (EOP)
    1. 2022 Update
    2. Implement national alert and warning system in the MOA
  - iii. Integrated Preparedness Plan (IPP)
  - iv. After-action and improvement planning
- c. Mitigation
  - i. MOA All-Hazard Mitigation Plan
  - ii. Help implement projects: planning, risk analysis, language access outreach, jurisdiction horizontal datum update, and wildfire mitigation
- d. Recovery
  - i. Implemented structure for infrastructure recovery grant program w/surge staffing and expertise
  - ii. Ongoing community recovery
    1. Open Federal Disasters
      - a. 2018 Earthquake
      - b. COVID-19
    2. Open State disasters
      - a. 2021 Southcentral Storm
      - b. 2022 Hiland Avalanche

## ABOUT THIS HANDOUT:

This handout has three sections: Notes, Questions and Resources

The Notes section follows the main topics covered in the presentation. The page displays two columns, one of notes and one for personal action items that might result during the presentation.

If you have questions during the presentation, please jot them down on the Questions page and these can be answered after the presentation.

The Resources page includes information on resource material presented.
