

MUNICIPALITY OF ANCHORAGE

EMPLOYMENT OFFICE

Labor Organizations

The Municipality of Anchorage has union agreements that require us to call the appropriate hiring hall whenever we have a regular (year-round) opening involving craft or labor work. If you would like to be considered, please contact the union listed below which best represents your skills.

The appropriate hiring hall is also called to try to fill temporary positions and they have 48 or 72 hours to dispatch candidates. After the 48 or 72 hour period, if we do not hire someone, we then advertise the job to the public. Monitor the Municipality of Anchorage website at www.muni.org for these openings.
